

SHOW 1st Concertation Workshop

Introduction

16.12.2020

Dr Henriette Cornet, UITP

Foreword

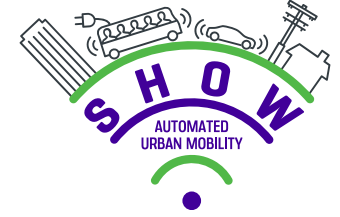

- UITP: Worldwide network that brings together all public transport stakeholders and all sustainable transport modes (1,800 members from 100 countries, 16 offices worldwide)
- Project Coordinator of SHOW, coordinating concertation & twinning activities
- Member of several projects and initiatives on automation

A word about the SHOW project

SHOW in a nutshell

SH*ared automation *O*perating models for ***Worldwide adoption**

SHOW aims to support the deployment of shared, connected and electrified automated vehicles to advance sustainable urban mobility

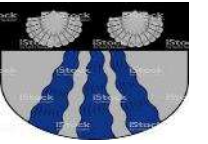

69 partners from 13 EU-countries

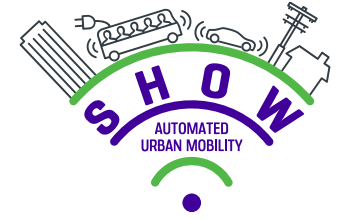

January 2020 – December 2023 (48 months)

H2020 R&I programme GA No 875530

SHOW's objectives

Develop technical solutions, business models & priority scenarios for impact assessment

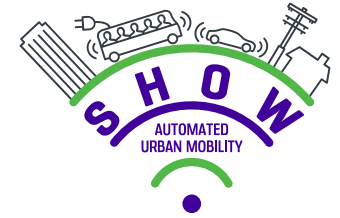

Deploy shared, connected, electrified fleets of AVs in public transport, Demand Responsive Transport (DRT), Mobility as a Service (MaaS) and Logistics as a Service (LaaS)

Conduct real-life urban demonstrations taking place in 20 cities in Europe with real service seamless operation in each pilot site lasting at least 12 months
