

# SHOW Final Event

## Achievements and the road ahead

Scandic Tampere City Hotel Tampere, Finland  
26 September

### Instructions for visiting Tampere pilot site operations

For any questions about the Tampere operations, please contact:

[eeva.kangasniemi@remoted.fi](mailto:eeva.kangasniemi@remoted.fi)

The Tampere Pilot site includes 2 autonomous vehicle operations a short distance from Tampere city centre:

1. A Karsan e-Atak 8m automated bus operating in Lempäälä
2. An Auvetech MiCa shuttle operating in Hervantajärvi

**The following instructions are for participants who wish to visit the operations independently, during their stay in Tampere.** Guided tours, with a limited number of seats, will take place on Wednesday 25/09 and Friday 27/09 – more details are available on the SHOW Final Event website.
